P.O. Box 1450

Sir:

In response to the Examiner's Statement of Reasons for Allowance, Applicant provides the following comments.

R E M A R K S

Claims 1, 3-6, 8-13, 15-18 and 20-21 remain allowed in connection with the present application.

While Applicant does not dispute that each of the claims of the present application are allowable over the prior art of record as a whole, Applicant further wishes to emphasize that certain features identified in the Examiner's Reasons for Allowance are not specifically recited in independent claims. For

instance, "a re-sampling part" is not specifically recited in independent claim 1; "a digital matching filter" and "a re-sampling part" are not specifically recited in independent claim 13; and independent claim 18 is a method claim. Accordingly, the Examiner's Statement of Reasons for Allowance is applicable wherever it is appropriate in view of the language of the allowed claims and should not be in any way construed to limit the scope of protection offered by these allowed claims.

Should there be any outstanding matters which need to be resolved in the present application, the Examiner is respectfully requested to contact Esther H. Chong (Registration No. 40,953) at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and further replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,
